

GPC-AACN CONSORTIUM

INTRODUCTION TO CRITICAL CARE NURSING PROGRAM— 2012

Program Description: A 6-day basic critical care program designed to meet the beginning educational content needs of nurses providing care for early adolescents to elderly populations. The content will be presented through lectures, handouts, and case studies by regional nursing and other clinical experts.

Program Objectives: 1.) Introduction of core critical care concepts to nurses entering critical care practice.
2.) Provide a theoretical base for clinical decisions made in critical care units.
